## COMPETITION/PLUS SHIFTER FOR 2005-2006 MUSTANG

A new Hurst Competition/Plus short throw shifter is now available for the 2005 Mustang equipped with 5-speed manual transmission. Engineered for more positive and precise gear changes, this shifter reduces knob travel by 40% for a shorter throw, allowing for quicker shifts. Installation of this shifter makes such a noticeable difference in the way and feel that it shifts, it's like comparing the difference between night and day.

- Supplied with urethane bushings and rear mount to eliminate shifter rail flex
- Designed for direct bolt-in installation eliminating the need for any modifications
- Features the traditional Hurst chrome plated stick and classic white knob for that "Hurst equipped" look

**Fits 2005-06 Mustang GT w/4.6L V8 engine .....391 0201**  
**Fits 2005-06 Mustang w/ 4.0L V6 engine .....391 0203**

## BILLET COMP/PLUS SHIFTER FOR 2005-2006 MUSTANG

The ultimate competition shifter for the new generation Mustang is constructed of a precision machined 6061 T-6 BILLET ALUMINUM I-Beam rail for ultimate strength.

- Knob travel reduced by 40% for shorter throw allowing for quicker shifts
- Adjustable positive gear stops to help prevent internal transmission damage
- Low-friction spherical bearing reduces stick drag for smoother shifting
- Supplied with urethane rear mount and front bushings for added stability

**Fits 2005-06 Mustang GT w/4.6L V8 engine .....391 5201**

## BILLET COMP/PLUS 'LINEAR' SHIFTER FOR TREMEC TKO TRANSMISSION

Designed for the 2005-06 Mustang that has been retrofitted with the new Tremec TKO series transmission for hard core competition use. This shifter uses a linear shaft operated mechanism that is engineered for shorter throws and precise gear changes.

- 8-5/8" set-back from shifter mount position allows installation into stock location
- Precision machined 6061 T-6 BILLET ALUMINUM housing
- Heat treated BILLET STEEL gear selector for ultimate strength

**Fits 2005-06 Mustang with Tremec TKO Transmission .....391 5074**

## BILLET/PLUS SHIFTER FOR 1983-2001 MUSTANG

Another Billet/Plus short throw shifter has been added to the extensive line of shifters now available for the popular Mustang equipped with manual 5-speed transmission. This shifter incorporates all the existing qualities and features found in all Hurst Billet/Plus Shifters.

- Engineered for more positive and precise gear changes
- Knob travel reduced by 30% for shorter throw allowing for quicker shifts
- Adjustable gear stops to help prevent internal transmission damage
- Complete with traditional Hurst chrome plated stick and white classic knob

**Fits 1983-01 Mustang w/BW T5 or T45 transmission .....391 5033**

**391 0201**

**391 0203**

### QUICK/STICK SHIFTER for 2003-2005 NEON SRT-4

Designed to provide a firmer and positive feel while shifting, this Quick/Stick Shifter features a CNC machined BILLET ALUMINUM pivot housing and heat treated BILLET STEEL selector lever for ultimate strength.

- Knob travel is reduced approximately 30% for shorter and quicker shifts between gear changes
- Positive gear stops help prevent transmission cable stretch and damage
- Urethane mounting bracket bushings eliminate flex providing added stability
- Complete with traditional Hurst chrome plated stick and white classic knob

**Fits 2003-2005 Dodge Neon SRT-4 with 5-speed manual transmission . . . .391 4017**

### BILLET/PLUS SHIFTER FOR 2005-2006 CORVETTE

The new Billet/Plus Shifter for the 2005-2006 Corvette C6 reduces the throw by approximately 35% providing a secure and positive feel when shifting.

- Constructed of a CNC machined 6061 T-6 BILLET ALUMINUM mounting base and heat treated BILLET STEEL gear selector for ultimate strength
- Features gear stops to prevent overshifting and internal transmission damage
- Adjustable bias springs loads allow stick tension to be tailored to drivers preference and comfort
- Accepts stock shifter knob and boot or optional Hurst classic knob

**Fits 2005-06 Corvette C6 equipped with 6-speed manual transmission . . .391 5086**

### PISTOL-GRIP SHIFTER HANDLE

This Hurst Pistol-Grip Shifter Handle is made from a forged aluminum process for ultimate strength and is designed to provide a firm comfortable natural grip when shifting, allowing less chance of your hand slipping and missing a shift.

- One part number fits multiple applications including most Camaro/Firebird, Mustang, Honda, Mazda RX-7 and Toyota vehicles
- Has an M16-1.50 internal thread and includes the following SAE and metric threaded adapters with corresponding jam nuts: 3/8-16, 1/2-20, M10-1.25, M10-1.50, M12-1.25 M12-1.75
- Attractive natural aluminum anodized finish with the Hurst name embossed on both sides

**Universal Pistol-Grip Shifter Handle . . . . .153 1000**

### QUICK/STICK SHIFTER FOR CHEVY COBALT SS

This premium short throw shifter is designed for the performance enthusiast wanting a positive solid feel when making upshift and downshift gear changes.

- Knob travel reduced by approximately 28% for shorter throw allowing for quicker shifts
- Quality constructed of billet aluminum and stainless steel material
- Features attractive stylized billet aluminum knob with engraved shift pattern
- Engineered as a direct bolt-in replacement for ease of installation

**Fits 2005 Chevy Cobalt SS with 5-speed manual transmission . . . . .391 4040**

### COMPETITION/PLUS SHIFTER FOR 2004-2005 GTO

The heritage of Hurst is now available for the new breed of Pontiac GTO's with this new Competition/Plus 6-speed performance shifter. Designed to put the "feel of performance" back into shifting, this quality crafted precision shifter is a must for the serious GTO performance enthusiast.

- Computer designed for a 45% reduction in throw resulting in faster, precise shifts between gear changes
- CNC machined billet aluminum and steel components for the ultimate strength in a shifter
- Engineered as a direct bolt-in replacement for ease of installation
- Features the traditional Hurst chrome plated stick and classic white knob for that original "Hurst equipped" look

**Fits 2004-05 GTO with 6-speed manual transmission . . . . .391 5065**
