

2010 MUSTANG

Lakewood Lower Control Arms for 2005 - 10 Mustangs #20105

- Double adjustable design allows for on car adjustment
- Greasable polyurethane bushing
- Constructed from high strength tubular steel
- Durable powder coated finish

Lakewood Upper Control Arm for 2005 - 10 Mustangs #20705

- Double adjustable design allows for on car adjustment
- Allows quick and simple pinion angle adjustment, a must for lowered vehicles
- Greasable polyurethane bushings
- Constructed from high strength tubular steel
- Durable powder coated finish

Lakewood Pan Hard Rod for 2005 - 10 Mustangs #20405

- Double adjustable design allows for on car adjustment
- Greasable polyurethane bushings
- Constructed from high strength tubular steel
- Durable powder coated finish

Lakewood Drive Shaft Safety Loop 2005 - 10 Mustangs #18005

- Easy bolt on installation
- NHRA/IHRA Legal
- Constructed from 1/4" zinc plated steel
- Includes detailed instructions and mounting hardware

Lakewood K Member Brace 2005 - 10 Mustangs #20205

- Easy Bolt on Installation
- Strengthens Front K Member
- Maintains More Consistent Front Suspension Geometry
- Constructed from High Strength Tubular Steel
- Durable Powder Coated Finish

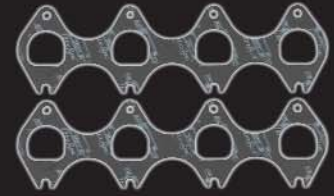

Mr. Gasket Ultra-Seal Exhaust Gaskets

- Manufactured from high-temperature graphite facing /steel core exhaust material
- Expanded steel core provides stability and maximum torque retention
- Graphite facing provides excellent heat resistance and thermal conductivity to transfer heat away from cylinder head
- Conforms to and seals minor surface irregularities

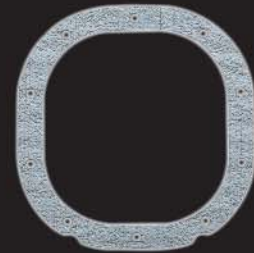

Ford 4.6L & 5.4L SOHC, 1999-2010#7559

Mr. Gasket Differential Rear End Gasket

- Manufactured from high-temperature cellulose/nitrile gasket material
- Delivers excellent sealing properties for oil and water gasket applications
- Conforms to and seals minor surface irregularities

Ford 10 Bolt 8.80" Ring Gear 1981-10#142

Exhaust Manifold Bolts – Metric

- Designed for quick, easy, installation and removal
- Compact socket head design is ideal for use where space is minimal
- Socket head bolt 8mm-1.25 x 39 mm L (16 pcs)

Ford 4.6L & 5.4L DOHC, 1991-2010#979G

Oil Pan Gasket – Molded One Piece Design

- One piece molded construction eliminates potential oil leak paths and provides a tight leak proof seal
- Incorporates torque-limiters to prevent over-torque of fasteners and gasket splitting
- Provides excellent sealing and durability

Ford 4.6L & 5.4L DOHC, 1991-2010#6684

ACCEL Silver Tip Spark Plugs

- Only ACCEL offers a gap-able center electrode without the use of specialty tools.
- Only plug offered in a colder heat range that allows the use of nitrous, superchargers, turbochargers, or high compression.
- Silver is the best electrical conductor which allows for a wider heat range and is extremely resistant to fouling.
- Silver center electrode - Low Ignition voltage requirements allows easier starting.

2010-09 Ford 4.6L & 5.4L 3 Valve SOHC Engines#AP4308S

2010-09 4.6L & 5.4L 3 Valve SOHC Engines
1 Step Colder in Heat Range#AP4309S
