

# ACCEL<sup>®</sup>

**The best  
injector for  
street and strip!**

**#150121**

These newly redesigned injectors use a special tri-cone nozzle that atomizes the fuel into an extremely fine mist ensuring

- *Increased performance*
- *Improved fuel mileage*
- *Quicker throttle response*
- *Smoother idle*
- New low-mass disc design ensures accurate metering control even at ultra-low and high duty cycles
- Operates at higher fuel pressures without loss of metering control - ideal for blown applications where increased fuel pressure and precise metering are required
- State-of-the-art manufacturing processes reduce flow deviations between injectors to improve performance
- Available from 14#/hr to 160#/hr, high and low impedance

ACCEL is a division of the  
Mr. Gasket Performance Group • Cleveland, Ohio
